

Dear Client,

Thank you for providing the three datasets from **Sprocket Central Pty Ltd**. The summary shown below is all about the issues related to the given datasets. Please let me know if you have any issues.

<b>Customer Demographic</b>	Gender is inconsistent	Age column is missing	Blanks in job title
<b>Customer Address</b>	State is not consistent		
<b>Transactions</b>	Transaction Month is missing	Profit is missing	

The table shown above is all about the issues related to datasets. Here are some of the recommendations for improving the datasets.

- ü Provide Gender consistency,
- ü Add an extra column with the age of customers,
- ü Take care about blanks,
- ü Add transaction month in the dataset,
- ü Add a profit column in the dataset.

So this is all about your datasets and it was a great experience with your dataset. Please let me know if you have any issues related to the dataset.

Kind regards,  
Satyam Gupta
